After 13 very successful years. We are proud to announce 14th Pakistan Achievement Awards International 2024 to be held on Saturday 17th August 2024 in London at Royal Ascot, Ascot Racecourse, Berkshire Inshallah.

Pakistan Achievement Awards International (PAA) was found from a simple vision, to create an event to recognise and acknowledge immense contribution that Britons of Pakistani heritage are making towards the economy and progression of Great Britain. In 2009, we launched PAA to applaud and honour the very highest levels of achievers in the nominated categories within the British and European Pakistani communities. Thirteen years of success has now given us the ability to recognize people from not only the UK. We have extended our wings to Europe and now are proud to reach out to an International audience.

An event marked by celebrating the contributions and success stories of Pakistanis globally. This years premier event will no doubt catch the attention of the British, European and International Pakistani community along with the local, national and international media. In the last 13 years we have had extensive support from the people of UK and Europe in making Pakistan Achievement Awards International in recognizing Pakistans talent.

Our awards every year are dedicated to the heroes globally, starting from Late Her Majesty Queen Elizabeth II Diamond Jubilee, Women Empowerment, Empowering Youth, Late Abdul Sattar Edhi, The King George, Late Ustad Nusrat Fateh Ali Khan, Education of Pakistan, We would be dedicating our 14th year awards to the His Majesty The King Charles III.

The program includes presentation of Achievement Awards and Dinner interjected by Live Performances.
